**Subject:** New Orleans radiation clean up

Folks will be returning to the Lowerline Street radiation site in New Orleans on Thursday July 18 and Friday July 19, 2019. George Brozowski along with members from our Las Vegas, NV lab, will return to finish the radiological scanning of Lowerline Street, making sure there is no remaining radiological contamination.

Team members include:

- George Brozowski
- Greg Fife
- Sandra Elkhous – Las Vegas
- Scott Faller – Las Vegas
- Mike Messer – Las Vegas

The purpose of the return trip is to complete the scanning procedures, which were started back on Tuesday June 11.
